Le nuove serie di proiettori a LED SUPER SAFE, sono l'innovativa soluzione di Progtech per proiettare segnaletica di sicurezza anche in ambienti estremamente luminosi e molto alti! Grazie a LED di ultimissima generazione e un sistema ottico progettato ad hoc, con SUPER SAFE è possibile proiettare segnaletica di ogni genere, simboli custom e scritte personalizzate, nei colori rosso, giallo, verde, blue, bianco e multicolor. Grazie anche a diverse tipologie di ottiche disponibili, è possibile realizzare proiezione di grandi dimensioni.

The new series of SUPER SAFE LED lamps are Progtech's innovative solution for projecting safety signs even in extremely bright and very high environments. Thanks to the latest generation LEDs and a special designed optical system, with SUPER SAFE it's possible to project all kinds of signs, custom symbols and customized writings, in red, yellow, green, blue, white and multicolor images.
